WHAT IF CHURCH MATTERED?

What if church mattered? What if it made a significant difference in our lives? In our families? Our communities? What if church was more than just stain-glassed windows, lectures, and sing-a-longs? What if it made sense, and helped make sense of our lives? At St. George's we think it should and that's the kind of church we are trying to build. Come and help us build it. Come be church with us. Help us make a difference.

WHO WE ARE

St. George's Anglican Church, Burlington is a vibrant, Christ-centred, church family located in Burlington, ON. Established in 1856, we exist for the glory of God and our vision is to bring about the renewal of Burlington, through individuals transformed by the good news of Jesus. We value authentic community. We proclaim God's word without apology. We share the good news of Jesus with boldness. We believe firmly in the power of prayer, and we lift high the name of Jesus through worship.

OUR PASTOR

Hi. I am Ray David Glenn, the Rector (Pastor) at St. George's. First of all, I am really happy that you have visited our church and have taken the time to read this booklet. I would love it if you would consider joining us in building a church that matters.

I have served at St. George's for over 10 years now. I have a Bachelor of Science degree from York University, spent time as a business analyst, and then did a Master's Degree at Tyndale Seminary, specializing in biblical studies. I have an ongoing love affair with the internal combustion engine, race motorcycles, and ski big mountains. When I'm not in my study at church, you will find me chasing my son on skis or two wheels. If you are new to our church, I'd love to get to know you over a good cup of coffee.

PLUGGING IN

At St. George's, we consider ourselves a family. We believe that church isn't just about attending services, in the same way that being part of family isn't just about attending family dinners. In the following pages, you will find out ways of plugging into our church. Our heart is to glorify God and to create authentic, christian community that challenges us to be all that God made us to be.

SMALL GROUPS

God intends for us to experience life together, and that's why at St. George's, we encourage you to get into a small group. A small group is a gathering of three or more people who meet regularly in a home. They hang out, study the Bible, and pray together. No matter where you are in life, it is important to have a group of people you get together with on a regular basis to study God's Word and have fun. If you are interested in joining a small group, please contact:

WORSHIP SERVICES

Although church isn't all about services, they are a significant part of our lives together and an entry point for newcomers. We gather every Sunday for authentic fellowship, sincere prayer, joyful worship music and Bible-based gospel preaching. As Christians we believe that Jesus is supremely relevant to every person, in every situation today. As Anglicans our worship services are designed around the great tradition of 1) word and 2) sacrament in order to make that same Jesus known to His gathered people.

IN OUR COMMUNITY

We want to be a church that matters in our community. We have a heart to do good in Alton Village and our local cities. Our dream is to feed the hungry, bind up the broken-hearted, and proclaim the Lord's grace through word and deed. We have several community initiatives in the works. Check out the Community Board on the back of our Service Booklets to see some of our ideas. Contact the church office to find out how you can get involved.

KIDS

We believe that kids matter to God as much as adults. Each Sunday at our 10:15am service of worship, we run several Sunday School classes full of bible stories, fun games, songs, and activities. Most of all, the children learn about Jesus, the saviour of the world. We also have a full nursery for toddlers and infants. In all of our children's programs, we strive to create a safe and fun environment for children to grow in their relationship with God.
